BARNES DENTAL,LLC

A WORD TO OUR PATIENTS

Dental insurance is a wonderful benefit to have. Your specific dental plan is one chosen from literally hundreds of combinations available. Some plans may cover as little as 0% or as much as 100% of specific dental services.

Some plans base the amount of benefit on a schedule of fees arbitrarily developed by insurance companies. For this reason, you may receive a lower percentage of the reimbursement level than that indicated on your dental plan. For example, if your plan states that it will pay 100% of the cost of dental treatment, it means 100% of the fee determined by the insurance company that is considered usual and customary by them; not the actual fee charged by this office or other offices in the area.

The type of treatment that you and the doctor have decided at our office is based upon the doctor's professional judgement, and not on your insurance coverage. We do not believe that it is in the patient's best interest to compromise the doctor's recommended treatment in order to accommodate an insurance program's maximum benefits that may be considerably less than optimal.

We have found that insurance companies may alter their benefits without informing us of these changes. Therefore, we cannot guarantee an insurance company's consistency in your individual plan's coverage. It must also be understood that any estimate from our office can never be a quoted amount. This means once your claim is processed, you may still owe a portion that your insurance did not cover. **Please keep in mind payment is always due at the time of service.** For those with insurance we will collect only your **estimated** portion.

As a courtesy to you, we will be happy to bill your insurance company and work with you to maximize your benefits. Please remember that the financial obligation for your treatment is between you and this office. All outstanding balances not paid by the due date will incur a monthly finance charge with 14.99% interest. Outstanding balances over 90 days will be forwarded to an outside agency for collection. These accounts will be subject to a collection fee of up to, but not limited to 35%. No question is too small for you to ask, whether it is about your treatment, benefit plan or statement. We are here to help you.

***Our office policy requires a minimum of 48 BUSINESS hours notice in advance if you are unable to keep your appointment. A charge of $25 may be applied for the first broken appointment, and $45 for subsequent missed appointments. On missed appointments extended more than 1 hour you may be charged $100. These charges are not covered by insurance. ***

My signature indicates that I have read and understand the above information.
